“ *Vicki & Rachel:  
I was so sorry to hear of Ric's passing. I know we all used to have great times together and he will greatly missed. He is no longer suffering and watching over everyone. I'm sure Rachel doesn't remember me; but we were all good friends in high school and even afterwards. Please know you and your families are in my prayers.

“ Dear Vicki, I do not know how to make this any easier or better for you except to say from the bottom of my heart I am so sorry. You were a wonderful, caring sister to him in the time I helped him. We were very good friends and I am sorry I had to go, but life sends unforeseen circumstances to us. I would have been there, but on Monday my Dad passed away and I am overcome with this pain. Know that I am thinking of you and your family today and grieving with you

“ I will miss Ric very much, and though I am sad for all of us who loved him I take comfort in knowing he is with our Lord Jesus. With the Father he is without pain and no longer bound to a wheel chair but running around Heaven. I am so blessed to count you as my friend.  
Good bye my friend.
