“ *RIP Bob. My first time meeting you right after George & I got married was you popping a tooth out and grinning at me. I still think your nephew inherited your sense of humor and I just want to say thanks for all of the thrilling tales of the Air Force you shared.*

I will miss my uncle Bob. Before he got sick he was always laughing and telling jokes. Spent lots of time with him when he was stationed at Eglin AFB and dad was stationed at Maxwell Afb. We always had a blast at the beach h in Niceville and Ft Walton beach. He was always one of my favorite uncles and will be missed. Glad we were able to get dad to Kentucky before he passed. Morgan was the light of his life! He loved Pam and Morgan very much. Big hugs to you both and my wonderful Aunt Janny. She helped raise Bob when granny went back to college. Hugs and love to all!
