“ *My brother will be missed so much by so many. He would do anything for a friend or family if he could. He gave me away at my wedding. He once helped me work on the water pump in my car. It took us about 3 hours to complete it the night before we drive to the beach for vacation. He had such a big heart. I really hope he knows how much we already miss him.*

Yes he will be absolutely missed. He was a man of his words and you can't find that easily these days. He would give you the shirt off his back. He always had a huge heart. So many great hunting and fishing memories. He will definitely be missed every day. My heart hurts knowing you're gone . I will away love you. Miss you always. I'll never forget the time you found our Grandmothers whiskey stash and we busted him drinking it I think he was 14 or 15. That was hilariously funny.
