“ *I enjoyed conversing with Robbie on FB. His son Brad and my daughter have been together for quite sometime and then there's Jackson, Robbie's grandson. It is amazing how the three of them all look alike. Must be those awesome blue eyes. Robbie will be missed by my 2 other grandkids, Kayleigh and Jordan who loved Robbie so much as look up to him as the other Papaw. I wish I could thank him for the love he showed my daughter and the kids. I can't imagine how painful this must be for Brad and his family. I am her for you all, as for me I will remember this man who smiled and laughed all the time who loved his family. Tragedy can strike anyone, that is what this was.*

*Your will be forever missed and in our hearts Robert. Rest in Peace.*
