They wintered in Anna Maria Island, Florida, for the last several years where he particularly enjoyed dining at the local Oyster Bar and Duffy ♦s, as well as visiting the beach and looking out over the endless sea. Bob ♦s children remember him as a generous loving father who also loved art, music, and traveling. He bought a white Fiat Spider convertible and loved taking all the family for long rides as often as possible.

One of Bob ♦s fondest memories was of his dog Jasper, a black cocker

spaniel who he referred to as his "lifelong canine companion. ♦ Jasper preceded him in death in 2011.
