“ *My Uncle Bob. He was my favorite. I will miss him so much. I don't think that the light in my heart has shined as bright this week, knowing that he is not here. I remember when he would always go to Florida for the winter, and when he came back he would always give me a basket full of seashells that he had gotten off the beach. He was always wondering how i was doing in school, or if i was playing tennis again, or just how my day was. When he was at Bradford Square, I would always go to his room when I just came to stop by or with my church, I asked specifically to go see him. He gave me a 20 dollar bill for Christmas, cause he didn't have anything else for me. I realize that's the last gift ill ever get from him. It was so hard to say goodbye, and i asked him to watch over me and take care of me from Heaven, until I got there with him, so i could take care of him. I love you Uncle Bob, and we'll all miss you so much.*

“ Uncle Bob will be missed so much, he was such an important piece of this family's puzzle, he was always interested in what was going on with the family, if the kids were doing good in school, he believed in sports, church, fishing, ballgames, and gardening, he told me, (The thing is keep the kids busy and they can't get into trouble) He was always cheering up patients and friends at Bradford and the staff had him so spoiled.....He loved some of those girls over there.....he stepped and was always wanting to help and make sure everybody else was taken care. He will missed each and every day. He was a teaching tool. He was so wonderful to my Grandmother Frances, years ago we would eat with us each afternoon and we would share vegetables and he would talk about the old days.....so many special memories.... They are rejoicing in heaven, Uncle Bob is home.....

“ We were so sad to hear about Bob's passing. For the past few years we saw him often in the halls at Bradford Square. He was always so cheerful and friendly. When I (Patsy) found out he liked blackberry jam, I would always save him a little jar each time I made it. He was always so appreciative. We will miss seeing him and know all his family and friends will, too. His family is in our thoughts.

“ A leader in the Law Enforcement community. Bob will be missed by all that knew Him. Law Enforcement is easier today because of pioneers like Bob.
