“ Genny and Ron Baugh cooked and served many times as part of the Good Shepherd family. We always enjoyed being with the individuals served by the shelter and observing how Robin cared and nurtured every individual. Her service clearly was a spiritual mission and we could feel it when we were cooking and serving a hot meal. After COVID Robin was there for care packages and always a kind word of appreciation for gifts shared. Our hearts are sad for her unthinkable end and our prayers are in her memory and with the staff and Board as they seek a loving guide for this mission of service.
