“ *Roger was a fellow Cumberland Redskin and always very proud of it! He was an important part of planning and executing every CHS Class of '73 Reunion, and we couldn't have made them as awesome as they were without Roger.*

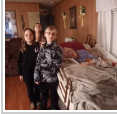

*A godly man, Roger helped me through some tough times in my life, and I'm sure he's done the same for so many others. I loved seeing the happiness that shined so bright through Roger and Diane. They were a perfect example of a unique union designed by Jesus Christ. We will all miss Roger, but we know for sure that he earned his blessed eternity in heaven.*

*Love you, Diane!*

*I will miss Roger very much. Roger was a wonderful caring outgoing person. He loved life and his family very much and was a godly man. He had been thought a lot of health problems but he was a fighter. Roger and Diana both was a perfect example for anyone. They both are terrific people. But most of all they both were perfect example of living for Jesus Christ. Diana has helped me out so much . I don't know what I would done without her. I know for sure that Roger is in heaven. I asked everyone to please pray for this family and the days ahead. I know it's going to be so hard on them because of his happiness that shine so bright on them. But heaven gave another wonderful person. I will miss him dearly. I know for sure you will too. But one of these days you both will be back reunited together again. What a happy reunion that will be. I am here for you for anything. I love you bunches Diana*

*This is one of his friends, Ruthie ... I sure loved this man. He never veered from his faith and was a comfort to so many with his constant testimonies of his personal relationship with God (not a bunch of religion). He posted Scriptures almost daily on his FB page along with uplifting words to show how God and His all encompassing love was there for everyone, no matter who they were or what they had done. We all know that we cannot take anything with us when we leave this earth but you can bet Roger did. He took a whole load of souls with him that he had seeded and nurtured over the years. Souls that he can now lay at the feet of his Lord when asked what he had done with the gifts he had been given here on earth. I'm sure God said, "Well done My son". Thank you Diane for sharing this wonderful man with all of us. You were so blessed to have him to share your life and love these many years. May you be comforted and surrounded by God's love.*
