“ I first met "Dr. P" my first year at Chowan University in 2013. I could call her and email her any time I needed her. I will never forget her genuine smile and how comfortable I felt whenever I met with her. I truly loved this woman. I am sad she is gone, but I will never ever forget her. Rest in peace Romey.

“ Dear Phillip, Walter, and Julia and Kizzie,

David and I were so deeply saddened to learn of Romey's passing. Phillip we have been reflecting on our fun time we shared with you and Romey playing bridge with you and sharing seeing you both at church. Those are the memories we will hold close to our hearts. Walter has keep us updated on her health and we have been very concerned. I had hoped to visit her but knew it was not the time. I am happy you were able to move back to Frankfort where you could all have time with her and care for her. Please know we have lost a beautiful soul and know she is no longer suffering. We are here for you and if we can help you in any way, please let us know.

With our love and God's blessing on you during this time of sorrow. God Bless you all.
