“ *I am so very sorry to learn of the passing of beautiful Ronna Marie. Ron often reminded me that Ronna was named after him.*

May the memories of Ronna, of happy times, of joyful smiles, of hearty laughter, and caring words help you through this sorrowful time. Our comfort comes in knowing that death is not the end but we will live forever with our loved ones who are in Christ.

Lovingly,

Sandy Winkler Jones

“ I knew Ronna from our days in Moberly. We reconnected on social media, but I remember her as a bright, energetic and happy teenager. A friend to all who knew her. My deepest sympathy to her family.

“ Oh sweet dear Ronna! When your family moved to Frankfort my life was significantly changed. You were such an example of one living their life for Christ. I know the family is hurting but I can just see you rejoicing in the arms of Jesus. No more pain just beautiful comfort. Steve, you two are admired by so many. You both had a major impact on the lives of hundreds of people admiring your Christian walk on earth. Please know that we will be praying for you and all the wonderful family. She impacted my life with her love and I treasure every thought of her. Blessings, Sandra Shroat Bush

“ *Ronna and I shared a friendship from high school until her passing. It was like God had us touch base during times of need then it would be years until we saw each other and caught up again. It wasn't that long ago that I received a note from her discussing fibromyalgia (a condition we shared). She was a sweet person with a big heart and the most beautiful smile. She will definitely be missed. Our prayers go out for Steve and her family.*

“ Ronna and I moved to Frankfort and attended Franklin County at the same time. We definitely filled a hole in each others lives. We were the "new"girls in town and I was so lucky to have her and her family as friends. Her family took me with them to Missouri to meet some of her old friends, they took me along on a neighborhood camping trip to Tennessee, and they opened their home to me on more occasions than I can remember. Ronna, Jerry, and I managed to have a lot of fun and stayed out of trouble...most of the time. We lost touch when she headed to Eastern and I headed to Western. I was the candle lighter in her wedding to Steve in 1972 and surprisingly we both belonged to the same service sorority (Ronna in Frankfort and me in Louisville). In spite of being out of touch (except for FB) I have such fond memories of our friendship. My thoughts and prayers to all of her family, a sad and too early loss.
