“ *I am so sorry to hear of Rose Mary's passing. Losing your mother and Grandmother, I believe is one of the most difficult things a person can go through. I will be praying that God gives you all the strength and Love you all need to get through this heart breaking time in all of your lives. Rose Mary was always kind to me and that meant a lot to me.*

“ Susan, Nancy, Chelci, Angie and family. My heart hurt when I heard this. I'm so sorry for your loss, I can't even begin to say what Rose meant to me over the years. She helped me, she fussed at me, she hugged me, she laughed at me and with me and she genuinely cared about me and Will when he was little. I don't think I've ever known a more caring and giving person. She stood by people she loved and cared about, right or wrong and believe me, Susan and myself gave her fits sometimes. I will never forget this wonderful woman who was very self-less and who gave her all to others. I love you Rose.
