“ I am so very sorry for your loss. Roy was such a sweet man and always had a smiling face and a wave when you came through the gate. My best memories growing up in the neighborhood of Two Creeks was because of him. He was such a kind and caring man and such a good spirit. My thoughts and prayers are with you during this difficult time. He will certainly be missed as he has touched many lives over the years.

“ Very sorry for you loss! Roy has always been like family. He was always very nice to us. He kept telling me to come visit two creeks to see how much it had changed. I finally did and am glad I didn't put it off. He will be missed. God's peace and love to you all!

“ I have been coming through the gate for over 30 years. Before we had the electronic passes, I would push the buzzer and ask Roy to beep me in the back gate. He loved teasing me, sometimes telling me he was under strict orders to let everyone in except Mrs. Wainscott, and I might as well pick him up a cheeseburger since I had to drive around Versailles Road to come in the Front Gate. Then he would burst out laughing. He was such a joy. Always a smiling face and friendly wave to welcome you home. He will be certainly be missed.

“ Roy was one of the nicest men I ever met!. As a resident of Two Creeks he never failed to chat and give a friendly smile. Even after moving from there when I would pass through those gates he would always ask about the family.

*Interment at Camp Nelson could not be more appropriate. Roy earned a place within this hallowed site by serving honorably and courageously under harsh conditions abroad as well as when he returned to the U.S. He answered the call without hesitation just as he was always ready to assist another throughout his civilian life. I mourn a dear friend.*
