“ *To Billy, Judy, and Peggy -- we are saddened by the passing of your Mom. We know you loved her very much and will miss her. But we also know that she lived a long life as a good wife (to a good husband) and as a good mother whose children were devoted to her. And we know she was a woman of faith. May God bless you for the way you cared for her, and may he comfort you in this time of sorrow. We live in strong hope of eternal life with faithful loved ones. With our love, Jack and Barbara*
