“ I am very sorry to read of Russell's death. I would like his children, brother and sister to know that they have my deepest sympathy. I knew Russell from back in the early 60's. Russell and I spend alot of time on Jennings and North Creeks trout fishing. We talked about the past and did alot of joking around. Russell and I had alot in common and I thought a great deal of him. I am sure that he will be missed by all.
