“ *Brenda, Barbara, and Family,*

I'm so sorry to hear about your mother. You're in my thoughts and prayers at this very difficult time in your lives. I didn't know your mother had passed away until tonight. I just read Monday's paper tonight (Wednesday).

The last time I saw your mother was several years ago in the outpatient waiting room at Frankfort Regional Hospital. Barbara had brought your mother in for some tests. We had a nice conversation and she updated me about Brenda. I didn't realize you had moved to Florida.

*With my sympathy and prayers,
