“ Mr. and Mrs. Gatewood, please accept my condolences on the loss of your son. I did not know of Ryan's passing until just recently. I had the pleasure of having Ryan work with me as a summer intern several years ago in the Louisville Alcoholic Beverage Control office. He was such a joyful person and kept me entertained; his blue eyes would light up and I would know that a story was coming. Mr. Gatewood, you may not remember me from when you worked in the Frankfort ABC office but I do remember you. Please know that my heartfelt sympathy goes out to you and your family. May God continue to bless you and His strength and love be a comfort to you in the days to come.

“ *Ryan will be missed. I only knew him for about a year, but he was one of the kindest and funniest people I have met. He always seemed to be in a good mood and could always get me to laugh even when I was having what I thought was a bad day. I'll miss seeing him pass my office in the morning and I'll miss our chats about Kentucky and Louisville sports, among other things. My thoughts and prayers go out to his family during this very difficult time.*

“ Dear Tom and Dottie,
I am so sorry to hear of Ryan's sudden passing. He will be sincerely missed, and I will pray for you all in the tough days ahead of you. Our family has known yours for over 30 years, so to us you really are extended family and we love you. I am so sorry that I could not attend the service, because I was unable to get another doctor to cover the clinic. Please let me know if you can think of any way that I might assist you during this difficult time or even if you just want to talk or be heard. I will always remember building couch fortresses with your family and having "Dottie" tea.
