March 12, 1944 - June 14, 2022

Frankfort – Sally Applegate Everman, age 78, passed away on Tuesday, June 14, 2022. A gathering with visitation will be held at Harrod Brothers Funeral Home from 4:00 p.m. until 8:00 p.m. on Monday, June 20, 2022.

Sally was born in Carter County, Kentucky on March 12, 1944, to the late Charles Glendal Applegate and Lillian Baker Applegate. She retired from the Kentucky State Government Legislative Research Commission after over 30 years of service. Sally was known for her natural flair of hospitality, always welcoming others with a fresh cup of coffee and a slice of her special chocolate cake. Whether it was taking long walks or gardening, she enjoyed the beauty of the outdoors. In the past several years, she devoted time to caring for her beloved great-grandchildren. Amongst everything Sally was known for, she will be remembered dearly for her unparalleled kindness and generosity.

She is survived by her daughters, Nancy Brownlee, Kelly Everman, and Rebecca Everman; siblings, Judith Thornton (Jim) and Doug Huffman; grandson, Quenton Brownlee (fiancé, Samantha Hammond); great-grandchildren, Kaydence Brownlee and Jettson Brownlee; and Crissey Turner, Karla Smith, and Carita Aldridge, whom she loved like daughters. She was also blessed with several nieces, nephews, and cousins.

In addition to her parents, she was preceded in death by her brother, Michael Applegate, and grandson, Austin Brownlee.

In lieu of flowers, expressions of sympathy may be made to the Franklin

County Women's Shelter, Sunshine Center, or the Kings Center.

“ *I'll always remember Sally's kindness and smile. My first memory of her was her delivering a "welcome to the neighborhood" cake to my family and she was carrying Becky on her hip with Nancy and Kelly standing behind her.*

She had tremendous warmth and a loving way of making others feel special. Sally and my mother, Betty, and all the other neighbors ladies enjoyed wonderful times together while living on Magnolia Avenue. She also raised 3 beautiful daughters. Sally and her family was an important part of my early childhood.

“ Some of my fondest memories was Coaching Sally, Nancy & Becky along with my wife Diane as players on the East Frankfort Baptist Ladies Softball team in the 1970's & 80's and knowing Kelly as the UofL Cardinal Bird. I will always remember how generous Sally was when my mother grew too old to drive. More than once she picked me up at Bluegrass Field when I flew in from NYC for Christmas, and often she would drive me to the airport for my return trip a week later. Sally was a very special person and I will always treasure my memory of her.

“ Even after leaving LRC, I would always go to Sally's office to say hi. She was always so glad to see people and always had kind words and a smile for everyone. She loved walking even when she wasn't supposed to (LOL) and was one of the kindest people I ever met. She was kind and she was genuine. She will be missed by her family and her friends.

“ *“One of the first people to greet me when I arrived in Frankfort as a new Representative in 1998, was Sally. She was my "homegirl", and her family and my family were always close. She remained a mentor, sounding board, mom away from home and most importantly friend. I dipped my hand in that candy bowl in her office countless times through the years and she always had a kind and encouraging word, no matter the situation in my life that ranged from politic, professional to personal. I still find myself looking in her office as I come and go from the Capitol Annex, as I did for so many years to say hi or bye to my friend. I loved Sally and cherish her friendship and memory. Love to the family, our LRC family and her many friends.” Sen. Robin Webb, Grayson, Carter county, Kentucky*

“ I cannot go anywhere and see a pink flamingo and not think of Sally and the collection of flamingos she had. I admired her spirit and kindness so much, and I feel blessed to have known her. She was always dedicated and ready to lend a hand whenever needed. I know she is greatly, greatly missed, but she left a huge impression and a lot of fond memories for us all.

“ Sally was always someone kind I could talk to. She was my cheerleader when I began at LRC almost 15 years ago now and our final conversations, before her retirement, were no less positive and inspirational. She believed in the good of others and she cultivated relationships that helped to bring that good out.

The easiest way I can describe Sally is that she was a safe person to talk to. I knew she'd never pass judgment or break confidence.

The other thing that immediately comes to mind is the smile I saw on her face every day. I'm sure her days were hectic and that she experienced a lot of change at LRC over the years, a lot of loss too, but through it all she always had a smile on her face and an upbeat attitude.

I hope her family knows how much they meant to her and how proud she was of all. Let good memories and the image of her smile carry you through the hard days ahead.

“ *What a force she was...an overwhelmingly positive spirit. Shared some fun times at the ballpark with her when our son played with Quenton. I can still see her whooping it up in the concession stand. Always a smile for everyone and somehow you felt special just knowing her. My heartfelt sympathies to her girls, Quenton, and great grandchildren. I know she leaves a huge void but know they have thousands of sweet memories to hold the space. Much Love.*

“ *Sally was the most sweetest and kindest ever. I saw a lot when her grandson and my so played sports. She was always there to cheer all the kids on. She always put a smile on my face. Anytime I ran into her walking she could always make me smile just by seeing her. Sally gave me a hug and in that hug I could feel her kindness to me. I will miss her so much and so will this community. Hugs and love to you Nancy and your family ❤️*

“ *Sadly, I'm unabe to attend Monday's service. Sally always had a beautiful smile on her face. She helped me so much when I started working at LRC. She was always doing for others. She is dearly missed.*

“ Nancy, Kelly, Becky and all the rest...

My observations of your mom/grandmom:

Sally was a friend of my mom, Vivian. After my mom passed away, Sally was my “if-you-need-a-mom-hug” person. I took advantage of it quite a few times and always felt better for it. I knew you girls growing up. She taught you to be strong, independent, young women and sometimes that wasn’t easy. Whether any of you wanted to admit it, you were a lot alike. I’m sure you can, as I do, see the many different and funny, quirky expressions on her face. When Austin passed away, it was so hard, but like always she tried to find the peace and good in things. She believed in family. I saw her at baseball and soccer games for her great-grandchildren. She loved watching her family play sports from Nancy down to Kaydence. I am quite sure many of you, my friends, knew her better than me and have your own memories. I missed seeing her every morning when she retired but she was at those games, so I could still get my hug. Now I shall miss her even more, but I will always remember her fondly. Tell mom hi and give her a hug for me.

“ I am so sorry to hear of Sally's passing. I met her at LRC and she quickly became one of the people I most enjoyed talking with on a daily basis, and she always had a smile and a friendly word for everyone. My thoughts and condolences are with her family at this time.

“ I don't think I ever had a friend quite like Sally. She seemed always to put everyone else before herself and she made it seem like the easiest thing in the world to do. When I was faced with a serious illness and long recovery she stuck with me like glue, coming to visit me at home and later calling me weekly “just to see how you are doing” as she always cheerfully said. I will never forget her , her rising before the sun and her long early morning walks. Her devotion to her dear girls and her beloved grandchildren. Her love of flowers and her cheerful, so very comfortable home I have enjoyed many a cup of coffee with her and her amazing cakes which she had a way of dropping off and then going on her way. Nancy, Kelly, Rebecca , Judith and all your family now has a legacy to never forget and some mighty big shoes (for such a little person) to fill. I feel lucky that Sally passed through my life. Thank you, dear friend for taking me under your wing!

It is a very sad and reflective time for all who knew Sally. Her selfless and loving ways were spread equally to all. She was a beam of sunshine smacking you in the face. She was “ sunshine lollipops and rainbows. If you knew Sally, peace be with you. If you didn't know Sally I wish you could have. I worked for Sally many years and she made work a happy place. Now she is another little hole in my heart.
