“ *I am so sorry for your loss. I loved Sally very much, and I was not able to attend her services. My Mom, Edna Willhoite was in serious condition at that time and I was with her in ICU in the Louisville Hospital. I am so sorry I could not be there. Prayers to each of the family members for your loss. Sally was a wonderful person and I always enjoyed being around her.*

“ *In my brief association with Sally, I found her to be warm, friendly and generous. I have some mementoes from our acquaintance. In business, she was honest to the core. I loved her immediately and always enjoyed chatting with her. She will be missed.*
