“ *Julie and family,
Words and flowers are never enough in a time like this. I know how hard it is to lose a mom, dad, grandparent or sibling. It never gets easier. I know that you know he's in a better place but even that doesn't take the hurt away. All we can do is pray and be there for each other and tome will help us then. I know we never get to see each other and I trully miss you, but I hope you know that I am only a phone call away . 682-7867. I love you and miss you. My family will be praying for you and yours.*
