“ *Last October I moved back to Frankfort just a few houses down from Ms. Butler. During the Spring when we were able to get outside, Ms. Butler introduced herself to me. I remembered her as the mother of one of my 4th grade students. Ms. Butler and her late husband were great parents who advocated for their sons to receive a top notch education. They were strongly supportive of their boys. My deepest sympathy goes out to her family.*

“ *Sandy was one of the most interesting women I have had the pleasure to be around she was extremely caring and talented and smart. She will certainly be missed at our bridge club. She was a great teacher and enjoyed it thoroughly. She will certainly be missed.*

I am heartbroken that Sandy is gone. She was a beautiful person, inside and out. To know her was to love her, and I feel privileged that she was my friend.
