“ *The Abrams family has been truly blessed by her beautiful light. She touched everyone's lives and we are better because of it. I will cherish my memories of her and her kindness and laughter. I know she is an extra special angel in heaven because she was here on earth. Love you Uncle Donnie and all my dear cousins.*

“ Pam, What a spectacular and wonderful woman she was. She reminded so much of my Mom her smile could light up the room! Her and Betty laughing I will never forget. I wanted you and your family to know you are in my thoughts and in my prayers. If you all need anything just shout. May God's grace give you peace beyond all understanding. I hear Heaven is beautiful this time year. God Bless You and Keep You.

“ Don I am so very sorry to hear that Sara has passed. I didn't know her that well, but my time working with you at the fire department showed me the love you two had for each other. I thank God every day for the wife I have, as I know you did too. You just never know when your whole world will change. God bless you brother and bless your family. Joseph Glenn Lewis and Family

“ Pam,
I'm so sorry. I know everything you are going through. Oh, my mother loved your mom so. I know they are hugging in heaven right now. I love you my friend and if there is anything at all that I can do, please let me know.
