Harrod Brothers Funeral Home - December 26, 2018 at 12:31 PM

“ I would like to express my condolences to the family during this time of great sadness and loss, "May our Lord Jesus Christ himself and God our Father, who loved us and gave everlasting comfort and good hope by means of undeserved kindness, comfort your hearts and make you firm."—2 Thessalonians. 2:16, 17.

“ *Isabelle was a dear friend that cared deeply for her family and friends. I enjoyed our times together because she made you feel like you were important. She never talked about herself, her pains or her problems. She always took the time to find out what was going on in your life, learn how you feel about it and lastly offer a word of encouragement, and sometimes her opinion and some corrective criticism.*

She would have made a great CEO of a major corporation because she intelligent and cared more about speaking truth than being politically correct. However, caring for her family was more important to her than fame or status.

I learned from my friendship with Isabelle, I love her very much and will miss her. This world was a better place with Isabelle in it. My deepest sympathy to the Thompson family.
