“ *Scott was the most humble and honest people I have ever known . I had the pleasure of being apart of his life with Harmony Care . He was a joy to all of us and we are heart broken . We have many great memories of him and I'm thankful for that . He brought joy to all that came in contact with him for sure . He called me his favorite niece as I'm sure he did many but it made me feel good to know he considered me as family even though I wasn't . He's with our Heavenly Father and out of pain . We all loved Scott at Harmony Care and will continue to remember his beautiful smile and loving heart . RIP Scott !*

“ I adored Scott for his love of life! His smile could light up a room in an instant. I enjoyed caring for him over the last year as he received his chemo treatments. He could give an amazing hug and had a heart of gold. We will miss you, and always remember you! ♡♡

“ I went to church with Scott at Unity of the Faith and he is going to be missed by everyone. He was faithful about attending church even when he didn't feel well. He loved church and his church family and we loved him. We are going to miss him terribly. He's home with Jesus now and probably singing for him.

I work at one of Scott's doctors office. He could always make us laugh. When you would ask him how he was doing he would reply I am a tough old bird. He was always smiling, we will miss him dearly.

“ Scott was such a sweet, friendly guy! I knew & worked with his mother for several years. Scott didn't always remember/recognize me because we didn't see one another often. When I saw him, we'd stop and chat a few minutes and he'd tell me what he'd been doing recently. The world is a poorer place without him.
