

Sean Kreck

June 13, 1965 - July 1, 2017

Sean Kreck passed away unexpectedly passed away at his home in Cold Springs, Ky. Sean was a passionate man who was wildly in love with life. He was an intelligent man with a thirst for adventure that was infectious to all who knew him. His adventurous curiosity led him up mountains, ice walls, into deserts, from Oregon to Maine and everywhere in between. And every step that he took, his beloved camera was at his side.

A photographer by birthright, Sean's photographs could take your breath away, bring tears to your eyes, and make your heart skip a beat. He didn't just capture images, he captured stories. Sean was a great man who gripped life with two hands and a camera. He pushed barriers at every gate, and left a mark on everyone who knew him. He was loved unconditionally, he will be missed eternally, but his spirit will endure through his children: Tiffany, Brandon, and Candice.

Arrangements are under the direction of Harrod Brothers Funeral Home.
