“ *I still can't believe that you're not here. I wanted nothing more than to see you smile. To be the reason behind your smile. I'm so thankful that I was able to be a part of your life even for just a moment in this grand scheme of life. You were my best friend. I was your mi amore. May your soul finally find peace and serenity. I'll always love you.*

“ *My condolences and prayers goes out to Shaun's family. They don't know me, but I'd meet Shaun about 3 years ago and become close friends shortly after. He loved working on things, and helped me work on my kids ATVs to my motorcycles. He was a great friend and a good Man. I'm shocked and heart broken to know he's no longer with us. I'd just seen him about a week ago. He was doing great and excited to work on his house boat he'd just bought. He seemed in great spirits, and had a huge smile on his face when he left that evening. Shaun I love you like a brother and will never forget you. Thank you for the short time that I was blessed with your friendship. I wish we had more time.....*

went out of his way to help everyone and work long hours i didnt  
have cash to pay him no way and he never asked ether did it out of
