“ It is so strange to think of Ms. Gilreath almost 11 years after her passing. She was my physical education teacher in my junior year of high school at Paul G. Blazer high school in 1966. It's hard to imagine so many years have passed and I have thought of her. She was a positive person.

“ My thoughts and prayers are with Biscuit. I remember meeting her the first time at Longview golf course in the spring of 1996. I was quite nervous when it was my turn to play with her because she was such a good golfer. She encouraged me and helped me with my swing. I was never scared after that and always looked forward to playing with her. May God grant her peace.

“ I knew Sheila when we both worked at the Department of Education. She was a good girlfriend and, though we lost touch, she stayed in my memory as a fun loving gal.
