“ Although I never met Sheila in person, she helped us out multiple times dispatching Paul's towing. She was always friendly and never to busy to help. I'm so sorry for your loss, Paul. Neil and I wish you healing and peace.

“ I am so sorry to hear of Sheila's passing. I had coordinated and worked with Sheila for the past 17 years in her capacity at the SBE. Her kindness and willingness to help are unsurpassed. We often chatted on a more personal level and got to know each other.

Sending love and light to her family and friends,

“ Sheila was a wonderful person and beloved colleague. I was only fortunate to have worked with her for about 2 years, but in that time we had many talks and laughs. She was always willing to offer help where she could and I never saw her shy away from a challenge. She would bring wonderful foods and treats to work and her Christmas candy was a highlight of the holiday. I wish I had been able to know her longer, but I count myself fortunate to have been included in her life for a short time. I have missed seeing her in the office and will continue to miss her. Her memory, wit, humor, and kindness will live on with me and many others, I'm sure.

“ Though Shelia and I did not spend much time together, she made me feel as if I were always welcome and a true friend. Anyone who spent even a minute in Shelia's presence could see the kindness and love and compassion shining right through her smile. Heaven has gained the best kind of Angel. Many hugs and condolences to Paul and to all who were touched by Shelia's love and generosity of spirit.

Sheila was always the last person I spoke with on Election Night as she gave me permission to go home. We will miss her greatly.

“*Sheila and I went to school together. And with our grandkids growing up where we saw each other at schools with their activities last year, Sheila, Paul, and a couple of other people she knew went around to all the schools and prayed for the schools before they opened, that’s just what Sheila was like. I can’t believe she’s gone.*”

“*She was my sister in Christ and the light of Jesus shone brightly through her life! I’m heart broken 💔 for Paul, Amber, Corey, Tonya, Gilbert and the all of her sweet family, her friends and her church family! She did so much for others and now I know she is resting in the arms of Jesus and rejoicing with loved ones who’ve gone on before her. I’ll miss her greatly! 🙏🏻🙏🏻*”
