“ Oh my sweet sissy how I miss you. But I wouldn't call you back to this painful world for nothing. We are all hurting but that just shows how much you were loved and cherished. I keep picking up my phone to text you "just checking on ya" and you would always respond "I'm good". Well, you are more than good now aren't you! I know you will be watching over us all, especially all of your babies. Give momma and daddy hugs and kisses for me and save me a seat! Love you beyond words

I know you don't remember me, but I (Licia) lived across the street from you all in Bellepoint. Shelia was one of my best friends. I'm so sorry for your pain. I lost my sister too and there isn't a hurt like it.
