“ *There wasn't a finer man walking; my uncle Mason's words of encouragement and strength helped me through two of the most painful moments in my life. He may no longer be here, but he will never gone.*

“ *Mason has always made us a part of the family and he and Betty always showed love to us and our children and Foster children. He loved his children and Grandchildren very much. We will miss Mason although we didn't get to spend a lot of time with him. Lots of prayers and hugs to the family. This is one of my favorite pictures of Mason, Betty and their great Grandchildren.*

“ *Betty and Family. I am sorry to hear about Mason and I know that the time I spent being a part of your Family he was what every man wanted to be like! I believe that he has his wings now and is ready to be at peace from this weary world and Jesus was ready to have him home. I know that this will be one of the hardest test that you will face, but know the Hughes family is strong. Thank you Mason for treating me like a friend and thank you for the Sunday dinners at the table and looking back and as I see you sitting under that window eating, you was the man who loved and took care of his family. Rest in Peace my friend and I know I will see you again.*
