“ *For years I thought of him in a grandfather way. I loved running in to you both (Annette) and catching up. I would have been at the service but just found out since I live out of town. I wish you all the strength to make it through this as grief is powerful! Your family will be in my prayers!*

“ *My deepest sympathies on your loss. I had not seen Silas in a very long time, but I still thought a lot of him. I pray for you during this time.*
