“ *It has been 2 years now since you left. I continually think of telling you something interesting or troubling in my day only to be shocked to reality.*

I love you and miss you (at #70 and "the Buick".)

We suffered over our precious Nick together. Reporter Kristi Piehl is writing about him, along with the investigative collaboration of 2 NYC detective associates.

Heaven is richer with you there. You believed so intensely .

Stay with me always in spirit...

“ *Nancy and Brad I'm so sorry for your loss. Mr. McCarty was many things to me. A mentor, a boss, and a friend are a few. We stayed in contact and in my last conversation with him just a couple months ago, as often would happen, we talked of our fun times in Driver Licensing and his love for his son Nick. I'm going to miss my old buddy. Very much.*
