“ *Scotty, Ricky and Libby,*

I am so very sorry for the loss of Sonny. He was such a good man. I have many wonderful memories of the times our families spent together. Whether we were running up and down the river, camping on our boats, playing cards or listening to music and dancing in the living room, we always had a blast with your family. I will always treasure those memories. The last time I saw Sonny he yelled, "Little Reno!" Made my day. Please know I'm praying for peace and comfort for all of you and sending lots of love and hugs.

Libby, Ricky, Scotty, I am just now learning of your loss. I want you to know you are in our prayers and that the Greens thought the world and all of your Dad!! Sonny & Libby Manns came out of my parents mouths thousands of times during my years growing up. As little kids, I have fond memories of coming to your house playing outside with Ricky and Scotty! Love to you all!
