“ The thing that I will remember the most about Stanley is that every Sunday, he would go up to the front row where the kids were sitting, say hello to them and shake their hands. I loved see that.

“ He taught me a lot about how to run a Sunday School. I was later a SS Director in two churches. I have a lot of fond memories about working with Stanley and serving as a deacon with him. I know God will reward him for all his good work.
