“ *Scott and Wayne,
I am very sorry to learn about your mother's passing. She was always especially kind and loving to me. I know that my father loved her dearly. I wish I could come to Frankfort for the funeral, but I am in Greece right now doing some archaeological field work for my university. My son Chris is going to try to be there. Even though I cannot be present, I am keeping both of you and your families in my prayers. God be with all of you.
