“ *Steffie. I can5 believe your goneso soon. Half of me says it's not fair because you were always such a great and giving caring loving person. But the other half of me says that because you were that way maybe the reason you were chosen to leave this world of death and destruction to walk in the light and love. I know Heaven is a much brighter place since you have arrived. Till I see you again, love always sis*

“ Girl, I will always remember you! You will always hold that special place inside my heart. I know I was never around a lot however, trust and believe me when I say, its not because I didn't want to be. You and I both know the reason for that. If you told me, I was allowed around more I would have been there more and more. Remember the Wonderful times you and I did get to share together, even if it was only for an hour or so... This is so hard to take in! I lost Dad back in January. This has been a rough year Stephanie! :(R.I.P...I LOVE YOU AND ALWAYS WILL. YOU MAYBE GONE BUT NEVER EVER FORGOTTEN!!!!!! JAZZ
