“ *Sweet Brother. You were more than a brother, you were my best friend. I cannot imagine my life without you in it. I will forever miss you. I'm so glad I got to spend time with you before you left us. My heart will forever be broken. I cherish the memories that we made together, the love and laughter. All good memories. People say things like; "you're in a better place", and I know you are, and I know you are being loved forever unlike any that the earth is capable of holding or giving, I know my own selfish pain of not having you here will one day be gone when I see you again. I so love you forever and ever, Love your sister, Joy*

“ My heart breaks to hear this news. So sorry for your families loss. I haven't known Stephen long, but in the short time I did know him, he was a pleasure to work with. And reading his Obituary, it sounds like he led a very full life and had many loved ones in his life. Praying for your family as you deal with such a difficult time.

“ Dad, I can't believe you are gone. I miss you so much already. Losing a parent isn't easy no matter the age of the parents or children. You touched many lives in your 67 years. The world lost a special man and it is a little darker place without your bright smile. I hope I made you proud and I hope that you knew how much I love you.

*Your proud son
Christopher*
