“ *I remember babysitting Steve and Rodney when they were young. I can't believe he is no longer here. As I would run in to him a lot in Walmart as he was still young he would say guess how old I am now. He was so proud of being another year older. Steve I told my mom right before she passed away that I was jealous because she was about to be face to face with Jesus. So me a favor up there and give my Mom, Dad and Brother big ole' hugs from me. I will see you all again someday! RIP Stevie*
