“ *It seems hard to believe it has been a year. I pray and send my deepest thoughts of comfort for Patty and Davis...all the family. I could not fathom the pain of losing my child at such a young age. I know you are in heaven Steven singing praise to our Father...we all wish to be there too. I know also that your siblings miss you sorely. We will all see you again in that wonderful place in the heavens where Jesus is preparing us all a room. God bless the family and comfort them Oh Lord with your peace. I ask and receive this in the mighty name of Christ Jesus. Amen*

“ *I have known Stevie since he was very small. I Know all of Patti and Davis' children. I cannot imagine the pain of losing a child, I do however know what it's like to watch your children suffer. I know that Stevie is at peace and there is "no more pain". I pray for all of you, his "family" and closest friends...God is able to turn our tears into joy. I ask there be peace, comfort and strength that can only come from the Lord. I receive all these things for you and so much more for we serve a mighty savior...in His glorious name I ask, Amen.*

“ Steve was my daughter, Nicole Vardeman's boyfriend during their high school years. Steve was a kind, respectful, trustworthy, and protective young man. I am sad for the loss of Steve and my heart goes out to all of his family. He was a good man!

“ I went to school with Steve and Troy. I have since moved out of Frankfort and havent seen in 20 years. I have many fun memories with Steve. I know he fought a long and hard fight, as I was a facebook friend. His determination was always so inspiring and admirable. He will be missed by so many. I hope you find comfort in knowing he is with our savior Hesus Christ. Many prayers going up for the family during your time of grief. Please take comfort in knowing all the people he inspired through his illness.
