“ Stevie, we will miss your visits with Bill and my talks with you. I wish we could have talked more on Tuesday when you came to visit. You were a beautiful person and you have gone way to soon. I just can't believe you are really gone but I look at my son and see the pain he is in already missing his friend, lost and sad! We love you! Rest Easy!

“ We are crushed! He was dearly loved by all of us! He had a special relationship with Caleb and Eden. We know he belonged to the Lord and is now in His presence forever. No more to suffer the hardships of this life, and we will see him again. We will feel the pain of his absence for a long time but we know he is truly happy now. We are here for you, ANYTIME!

With MUCH LOVE,
Lou & Martie

“ Jane, Paula, Bobby and family: I am sooo very sorry and I'm praying for you. Stevie had a special spot in my heart, he could be such a stinker, but at the same time he was soo sweet. I know life was difficult for him. It absolutely breaks my heart that has life ended this way. And my heart breaks for you all as well. I miss you all and love you all so much! I am sorry I won't be able to be there Monday, I have to work. But I will be with you all in spirit.
