“ *Stonnie was such a help to me back in the '80s when my son and I attended meetings with him. As I was privileged to continue to see him over the years in both Frankfort and Lexington, I always felt blessed by his words and his presence. What a gift to my life. I am forever grateful!*

“ *This world has lost a very special man. I first met Stonnie in 1991 on Lewis Street. He always had an encouraging word, and treated each and every person he encountered with respect. I learned a lot about love and tolerance from him. He will be missed. I am so grateful to have known him - my life is better for it.*

“ Stonnie was such a good soul. He welcomed us into his loving home as brother and sister. We shared wonderful memories with Stonnie, Barbara and Dee. One funny and fun experience was going to Stonnie and Barbara's for wild game night. Or was it Road Kill night? Either way, Roger experienced his first ever ground hog and raccoon. Now that's good eatin'. We love you Stonnie. Barbara, you have our deepest sympathy.

Love,
Roger and Tina Lewis

“ He was my first ever sponsor. The most kindhearted person. This makes me sad but there’s no doubt in my mind he’s walking on streets gold. God Bless

“ Stonnie was one of the first people to make me feel welcome when I first started going to meetings on Clinton Street. I moved away from Frankfort in 2001 but I often went back to the meeting there. Stonnie was always there and his smile told me he was glad to see me. He taught me a whole lot about acceptance and tolerance. The world was a better place because he was in it
