“ *Dear Paula,
The complete inadequacy of words makes itself known each time we try to offer our sincerest condolences to someone we care for who has lost a loved one. To say I am thinking of you seems such an understatement. But I have been thinking of you for a long time now, and I shall continue to for a long time to come.

“ *Susan was such a wonderful person. With all that she was going through with her cancer, she never failed to ask how I was doing. She never complained about her situation. Always said God was taking care of her and showed concern for others. She was a leader at Hillcrest Baptist Church and all the children loved her. She was a great example of human kindness for all to follow. We will never forget her.*

TO

“ Susan was a remarkable, loving, and generous person whose life and legacy blessed our family. It was a humbling experience to be her pastor and witness how she loved God by loving others. The investment she made in our family--being a big sister to Kathie and adopted aunt to Nathan, Justin, and Lindsey--has lived in our hearts for more than 35 years. We take great comfort in knowing how vibrant and genuine was her relationship with Jesus Christ. Our hearts go out to Billy, Paula, Amy, and the entire family in this time of sorrow even as we claim the promise Paul shared with the Corinthians: "Eye has not seen nor ear heard, nor has it entered into the heart of anyone what God has prepared for those who love him and are called to his purpose." She will be forever loved and missed.

“ Susan was the kindest, loving person I know. She gave so much to the children at Hillcrest Baptist Church and was always ready to do whatever was needed. She was responsible for me helping her with Children’s Church on Wednesday nights and I will continue to do so in her honor. We love you Susan and will miss you forever.
