“ I did not know Sue well, just from our times shared at the "Bark Park" at East Frankfort. Sue and Elvis were perennial favorites there - everyone's faces lit up when we saw them coming. Sue and Elvis "brightened the corner where they are," and I've no doubt Sue is still doing that somewhere, across the bar.

“ Sue and I(Paula) worked together at Bradford where Steve's mom was a resident for many years. She was a great lady who we respected and liked very much. She was so happy for us when our Lydia was born. She will be missed and remembered for her kindness. God bless you through this sad time.

“ Sue and I were friends from nurses training at KBH.
Her sister Anna Mae was in my class.
We all lived in the dorm and knew each other.
So saddened by her passing.
Blessings to her children...
