“ *"I can't repay the lessons that you taught when I was small, or give you, gift for gift, the daily treasures I recall. I can't return encouragement, or loving words of praise in quite the way you did for me, through all my childhood days. But there's one gift that I can give; it's all the love you've earned. For love is what you always taught, and love is what I've learned."*

You will NEVER be forgotten mamaw. You will live through me forever. I love you to the moon and back.
