“ *Susie was a bigger than life person. Her laughter was big and loud which you couldn't help but laugh right along with her. She was true to herself and you didn't have to guess how she felt about anything. I will miss her sassy and down to earth goodness. I am so happy that she is now with Bruno and momma Butch What a trio of angels to watch over her babies and family. Praying for her family and friends. I will miss you my dear friend.*
