“ My first memory of Chief Evans was when he came to view our home at 225 Tinderwood Dr. He and his lovely wife were moving to Frankfort and needed a home. S something about our home spoke to him and they purchased it. He was smart, friendly, nice gentleman. It was my honor to know him. My condolences to his family and friends.

“ Ted was such a great guy and friend. He will be sorely missed. I worked with him for many years at the police department. He was one of the most friendly and kind people I ever met. His smile and laughter would light up a room. I've often said that if you couldn't work for Chief Evans, you couldn't work for anybody. May heartfelt sympathy for Chris and the family.
