“ *My thoughts, prayers and greatest sympathy goes out to Kenny and all other family members and friends. I started working with Teresa at J A Sexauer in Dec 1977. From that time on our friendship has only grown over the last 38 yrs into a loving friendship. Teresa had a heart of gold and was always doing and caring for others; never asking for anything for herself. I truly believe Teresa was one of God's angels put here on earth only to meet yet another one of God's angels, Kenny. Thank you Kenny for all the love and care you so freely gave Teresa to make her time here on earth one to be lovingly remembered always.*

“ To the Rollins and Gray Families:

You have my deepest sympathy with the passing of Teresa. I worked with her at J A Sexauer. She was so nice to me when I first started there, so much so, that when she invited me to her wedding, it was a great joy. I wouldn't have missed it for the world. I think there were four of us from Sexauer that attended. What a wonderful memory. She will always be as beautiful to me now, as she was on that day. Teresa had a beautiful spirit. May the Lord welcome her home and may HE watch over Kenny until they are together again. God speed Teresa...tears
