“ *I'm so sorry about your loss. I met Terry while working at Farmers Bank east branch about 8 years ago. He was such a kind and gentle man. He was always sharing about his family and he was so very proud of all of you. Sometimes we had food in the break room and he always needed the recipe. My thoughts and prayers are with you.*

“ Connie, we are so very sorry for the loss of your husband and love of your life. I think I was introduced to you a few yr's back by Nanette Miller, my best friend. I did not know your husband but knew through my husband, Eddie, the Miller's and your sweet daughter just what a wonderful man he was. Eddie has known Terry For 48 yr's and told me of when he and his first wife, Rita, lived across the hall from you on 400 block of Conway renting from Mrs. Nichols, when you all were newlywed's- way back! Terry has been on Eddie's mind this last week & reminisced quite a bit with fond memories. It is certainly reassuring for us that you have such a wonderful daughter & son to count on & can help one another through this difficult time. Our hearts & prayers are with you, Brianne and Terry, Jr. He will be missed by many.

“ Dear Connie, It breaks my heart to hear of Terry's passing, but it's comforting to know that you and the family were at his side. I will always remember his sweet smile and fun-loving nature. I'll never forget when I came home for that high school reunion and you ran up to me saying, "I'm married to Terry Harrod!!!" What a wonderful surprise! Although I have tears in my eyes at the moment, I will always remember the two of you with smiles and laughter. You're in my thoughts and prayers.

love,

“ I had the pleasure of knowing Terry when he worked at Farmers Bank and came to Treasury to pick up. He was always glad to see us and we felt the same about him. I don't think I have met a finer person. He talked about his family a lot and you could tell that he adored them. And I would say that is the way we at Treasury felt about him, we all simply adored him. My thoughts and prayers are with his family.

“ *Dear Family,*

*I met Terry in his "retirement" as a Courier for Farmers Bank. For many years he blessed all of us with his kindness, his stories and the love of his family. He touched us all with his light. It was a joy when it was his turn to come to our business. Many times we would gather around him to talk and hear him speak of adventures and the love of his family. Through the short visits he touched us all and he will never be forgotten. Terry, we miss you forever.*

*Sending Light and Love to you all and Terry as he makes his journey back home.*
