“ *I am also a bridge inspector and met Terry when he came to bridges with kytc. I am honored to have worked him. He was truly, as I describe, "one of the good guys". He always had a smile and a friendly way about him. I am so sorry for your loss, beyond words, really. May you find peace in your hearts and let memories bring you smiles!*

“ Sharon and Family: *I was devastated to hear of Terry's Passing. I will be unable to come to the visitation or the funeral, I was just discharged from the Hospital yesterday and unable to get out and about. My Heart is breaking for You and Your Babies, I know how you feel, I've been there when Earl Passed. Although I never talked to Terry personally, I know he was a Great Husband, Father, Son, Friend. Heaven sure will be sweeter with Him there. I Love You and Your Family and My Prayers are with You All. Love You Much...*

“ I'm so saddened to hear the news of Terry's passing. I enjoyed our time working together at KYTC - he was always willing and ready to pass on his vast knowledge of bridge climbing and inspections. But above that - he had a smile that was contagious and was just a good person that people wanted to be around. He will be missed.

“ I have fond memories of working with Terry over the years. We enjoyed many lunch time walks together during our time in Frankfort, talking about lots of issues, but mostly about life, family, friends, and our love for all of them. My thoughts and prayers ar with Terry's family during this time of loss and remembrance.

“ I had the privilege of being one of Terry's bridge brothers, working with him on several bridge inspections. When signing up for a week-long climb school, I would always hope that Terry would be there as well. I learned so much from him over the years and I respected him greatly. He would often talk about his family--especially his children; and, I know he loved them very, very much. Even though I speak of him in past tense, I know that he lives on in a new body and, if we do our part, we'll see him again. I will be praying that God gives the family the comfort that only He can.
