“ I don't know where to begin. But I have so many good memories with her. I was always at her house growing up and even in the last 5 years I been in and out at her house just visiting. I remember us telling nanny the adventures we had or what happen yo us where ever we went and she would always shake her head at us and say " you kids get your selfs in some messes" lol and we would just laugh. She always knew the fun we had and what we enjoyed. She was always loved and will never be forgotten. I will defintley miss her. Rest easy nanny I love you always.
