“ *To the entire Gatewood family, We just want you to know how much we admire your love and support that you gave to your mother. We know both Pete and Louise are smiling down on you. It is rare in today's hectic world that families can remain as close as you. No matter what was going on in your life you always made time to spend Sundays together as a family. That is a true tribute to both of your parents. You are in our thoughts and prayers. Janine Chancellor & Debbie Condreva*

“ Susan - We are so sorry to hear the loss of your "Dear Mother". We had the opportunity to visit with her a couple of times when visiting with you in Frankfort. She was such a delightful and kind person and your love for each other was always apparent. The family closeness was so very special as was your love for your "Dear Mother". God Bless your family in the days ahead but she is with the Lord and Your Dad in Heaven and free of all pain and suffering. Take care - Your Friends, Larry and Dina Brister.

“ To my family, my deepest condolence, Aunt Louise was a wonderful and very special lady who always took her time to make sure I was taken care when she didn't have to. The times I spent with her and all on the family hill, after my mom moved to Iowa are some of my most cherished memories I have of growing up. Eddie, Ronnie, Weavey, Susan and Betsy Carol you are in my prayers and thoughts at this time and all times, I Love and Miss You All.
